  - Leyenhorst 149 ♂
  - Joke V.d. Lingenhof ♀
- Jacqueliene 24 Az ♀
  - Karel 1 Az ♂
  - Jacqueline 9 Az ♀

Those wishing to use Topjob are advised to ask the question if the mating with the maternal line will reduce the chance of Bulldog calves. Especially given that Topjob is a potential carrier of the Bulldog factor.

Jacqueline's Topjob AZ is a very fine, rich and well-developed dark red baggerbont (old Dutch race) bull. This son of Jop v.d. Lingehof (93,89,89,89 and GA 91) is a promising new bull. A real asset to the selection Verbeterd Roodbont.

Topjop is bred by the Family van Abeelen from Dorst (NL) and was crowned Mister Toekomst (Mr Future) and Champion 'Zoogstel' (mother and calf) at the national judging in Marienheem in 2010. This bull was registered with 87 points at the age of 1 year for development and 89 for breed type, 88 for muscling, 88 for feet & legs, 85 for general appearance and a shoulder height of 1,19 metres. He has two nines in his report for scrotal circumference and for skin/hair.

Topjop shows an excellent development with very good muscling and good breed type. The quality of his feet & legs is correct, the framework is fine and locomotion is very good. Jacqueline AZ 24 (89, 90, 88, 88 and NG 89), his mother, can easily distinguish herself with her finesse, excellent breed type and appearance. The latter is a quality that this...
