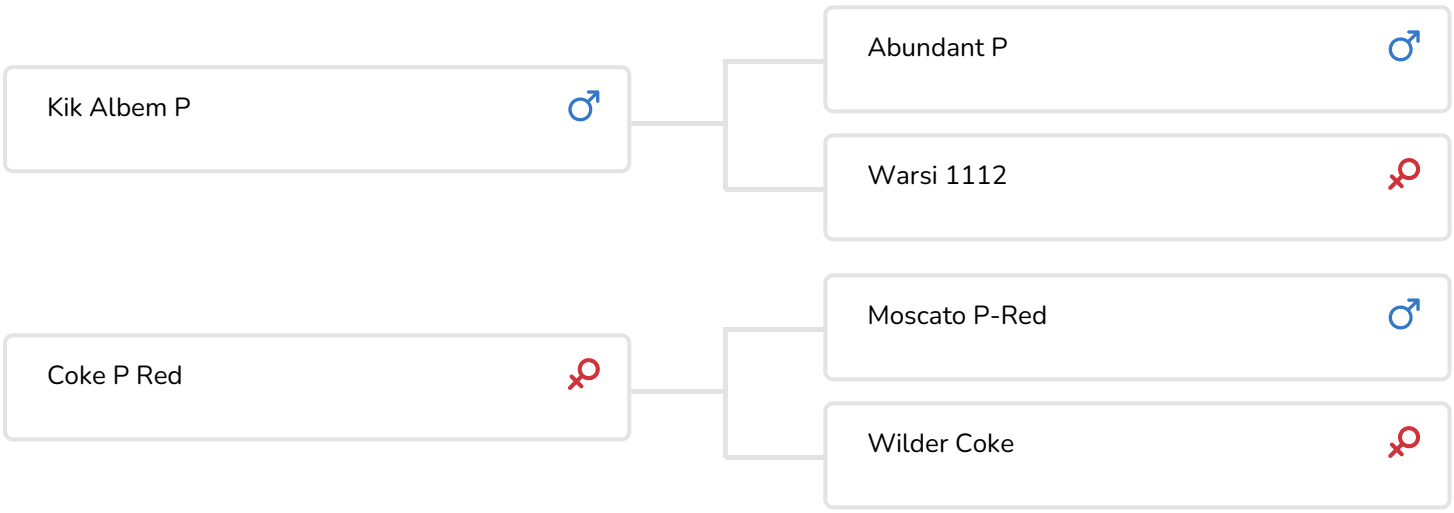
PFW code	B	Beta Casein	A1/A2
aAa code	156	Cow family	
colour	RB	Straw colour	Salmon
Breed	100% HF		



Aloa PP is a unique bull among his homozygous polled counterparts. With his aAa code 156 and almost flawless linear traits, he clearly stands out. The dark red Aloa PP transmits wide rumps, correct front and rear leg conformation and excellent locomotion. His daughters have well attached udders with correct teat placement and teat length. This makes Aloa PP an ideal bull for both the milking parlour and milking robots.
