

Alger Meekma

Breeder: Mts. Bongers-Hilkens, Kessel-eik

- + Great scores for protein %
- + Wide daughters with extra muscularity
- + Suitable for robot systems
- + Kappa casein BB
- + Beta casein A2A2

Els Korsten

Bonhill Warsi 19  
(great- grandmother of Bonhill Winsome)

The pedigree of great dairy type (aAa 153) Bonhill Winsome (Aviator x Gerard x Ramos) lists two outstanding cow families: the Warsi line (maternal side) and the Cosmopolitan line (paternal side). His pedigree offers it all: good production, very good conformation and top durability. Winsome also carries the favourable protein variants A2/A2 (beta-casein) and BB (kappa-casein).

Winsome's sire is the North American bull Aviator - a bull classed as a true all-rounder. He transmits excellent production traits (scoring a plus for both milk production and fat and protein percentages) and super conformation. This bull is also a specialist in the field of secondary traits (udder health, fertility and durability).

And Winsome's maternal line also performs notably in many areas, making a name for itself at classifications and shows, for producing good bulls (including names such as Effort and Mason RF) and of course in the milking parlour. The impressive conformation of cows from the famous Warsi line (89 x 88 x 90 x 86 x 88 x 87 x 90) has already resulted in some wonderful titles. One of these was winning the reserve championship title at the NRM - a feat accomplished by Warsi 20, a full sister of Winsome's great grand dam Warsi 19. Warsi 19 (EX) produced over 100,000 kg of milk and...
