Looking for excellent conformation? Than the fine Bouw Editor (Jango x Shottle x Durham) is your ideal fit. Editor combines the absolute top conformation levels of Europe with the U.S.A. Editor's dam line (the Elegance family) can be described as currents cow family with the highest conformation level in the U.S.A.

In the middle of the dam line of Editor we find the legendary Krull Broker Elegance (EX 96). Elegance is the 5th generation EX in a row and takes via her daughter Elegant Rose (EX 93) and granddaughter Everything (EX 90) care of 7 generations EX in a row in the pedigree of Editor. Durham daughter Everything (granddam of Editor) is one of the 6 excellent granddaughters of Elegance, where Elegant Rose is one of the 18 excellent daughters from Elegance!! These excellent sisters of Elegant Rose realized scores varying from 90 until 96 points. Within this group 3 Encore daughters with 95 points and a Linjet daughter of 96 points.

Editor does not only know an extraordinary conformation rich dam line, also sire Jango is a top-bull in this respect. Jango inherits high milk-productions and fine frames. Besides this have daughters from Jango good feet & legs (very good hoofs) and great udders. The teat placement is very good and also the central ligament is of a good...
