Bova Banker is a bull with terrific behind quarters and super muscularity. The bull has very good feet & legs and a strong top-line. Bova Banker is bred in Ireland with a total French pedigree. In this pedigree we find two very famous bulls. His full sister was sold on age of 5 months for € 5.400 and his full brother for € 9.500.

The calves of Banker are for sure not light ones and for that reason can't be used on heifers. The muscularity and growth potential of the calves are extremely well which makes him till one of the best bulls in Ireland.
