A.I.-code	764283	Beta Casein	A2/A2
aAa code		Cow family	
colour	EB	Straw colour	Dik Transparant
Breed	100% BS		

Bridge View Drambuie is a beautiful and interesting Brown Swiss bull with a proven cow-family. The dam and granddam are both EX registered cows with very good, narrow and in proportion fat/protein percentages. These cows produce also a lot of milk with high very protein (4%), which can be called exceptional, certainly for American terms.

R Hart Simon Ensign is a bull, who scores very well for management traits, such as somatic cell score and fertility.
