Broeklander Edjurre descends from a family that originates in the USA, namely the Larcrest Juror Chanel line. Larcrest Juror Chanel was also the brood cow behind Larcrest Cosmopolitan and is also the foundation cow of bulls such as Commander, Chevrolet and Fanatic. Larcrest Crimson EX 94, the 2016 Global Cow winner, also descends from this family. A more recent bull from this line is Checkmate, who is a half-brother of Edjurre's grand dam. The Larcrest C line is characterised by very wide, powerful cows and high production, as demonstrated by the cows that precede Edjurre. They realise impressive milk lists without compromising on body condition. In her fourth lactation, bull dam Chrispen 2 recorded a list of more than 14,500 kg of milk with 3.50% protein. Edjurre is a bull with width and correct legs.
