Breed	100% FLV		

Coose Kingston PP is a well-built homozygous polled bull with exceptional muscling. Kingston PP descends from a very good breeding family and his dam has already produced several stylish progeny. Kingston has very good feet and legs and excellent locomotion.

Kingston was bred by the Tuohy family from County Galway in Ireland. The bull has very famous bloodlines and his dam has an outcross pedigree. He has a remarkable temperament.

The calves he has produced until now were born without any problems and had a birth weight of around 45 kilos. He is a bull who can certainly be used on dairy cows.
