PFW code	A	Beta Casein	A2/A2
aAa code	651423	Cow family	
colour	ZB	Straw colour	Dark Green *
Breed			

Bickel (aAa 651) is a well built bull with width through his frame and good legs. From a young age, he was very alert and always made his presence known. This is how he got his name.

His Ginstream dam, Eva 125, is an easy and trouble free cow in the herd. She has never had an increased somatic cell count and has good fertility. She also produces a lot of milk easily, resulting in an average LV of 109.

With his pedigree Billund x Ginstream x Milo, Bickel brings different bloodlines, which are very welcome. His sire Billund also adds longevity. The three sires behind this bull, Bahrain, Bernell and Balisto, all have a survival rate of at least 107.

Bickel is the result of more than 30 years of Triple A breeding. He is another bull with a special pedigree, exactly what K.I. Samen is always looking for.
