Eltin van Maris

Eltin van Maris is a youthful, well-muscled bull with potential. Eltin is a Quiet son from an Imperial mother. This bull exhibits beautiful meat characteristics with fine bone structure, combined with good feet & legs.

The sire of Eltin, Quiet Roche Gue is a large, long bull. Quiet scored 112 for easy of calving, 99 for gestation time and 88 for birth weight. Offspring of this bull are very vital and easy to raise.

The dam of Eltin, Bertha 331 is an Imperial de l'Ecluse daughter who gives birth to lighter calves, like the grand-dam of Eltir did.

The bull Eltin was born at the Belgium Blue breeding farm called 'van Maris', owned by the Hunnekens family from Grashoek. His birth weight was 40kg and the gestation period was 273 days. A light birth followed by good growth!

Eltin comes from a new line in the crossbreeding for dairy segment and can be promoted with confidence. In our 5 star system, we gave Eltin 4 stars for crossbreeding ease and vitality.
