Frank (PP) (Solitair P x Born P x Deko) is a red-and-white, homozygous polled bull born in Germany. He ranks among the highest scoring PP bulls in that country. He is expected to be able to easily take on the competition in terms of both production (e.g. lots of milk) and conformation (all-round). His interesting pedigree that contains the Glen Drummond Splendor line is an additional asset.

Frank PP's paternal line brings us to another familiar cow family with a super breeding track record, the Lol family. Sire Solitair P has been frequently used as a bull sire, especially for the polled segment. Solitair P represents copious milk, medium frames, good legs and correct udders (with slightly longer teats). Good health traits and his status as a calving ease bull round off the picture nicely.

Frank PP's maternal lineage has already produced a good, polled breeding bull in the shape of Laron P. He has also been used as a bull sire. The originally Canadian maternal line of Laron P and Frank (PP) has been used all over the world to produce breeding bulls. Cows from this line generally have excellent production abilities and correct conformation. Man O Man daughter Fily-Sher (VG 86) is one of the most widely used cows of the last generations. She is Frank PP's great great granddam and...
