The Montbeliarde breed is a French dual-purpose breed that can deliver a very positive contribution within the Dutch dual-purpose population. This breed takes care of more variation in the pedigree, more and good quality udders, improvement of feed & legs and control the muscularity.

Gala is a Montbeliarde bull that was imported at an age of 1 year. Gala is bull with good development, super feet & legs and very nice muscularity. Gala's sire is one of the best all-round bulls, Tafia. Tafia scores for all traits above the average, for conformation even far above the average!

The dam of Gala is the impressive Martien, she had one of the highest milk-production cows in this population.
