  - Flight Red ♂
  - 302 Abundant Jane ♀

Groenibo Cristiano Red P is a WAC CR7 son out of a Poppe Flight dam from the well-known Jane cow family of the Borst family. The Jane family traces back to the equally strong Jaantje cow family of Korver. The sire also comes from a very well-known maternal line: the Koepon Regina family, which traces back to the Sher-Est S-Wind Saturday family.

Two very strong cow families are combined here in the polled bull Cristiano Red P. The Jane family is known for its high production and strong conformation. Cristiano Red P is a polled bull with a future and can be a valuable addition for breeding attractive, well-functioning and productive cows.
