| aAa code | | Beta Casein | |
| colour | RB | Cow family | |
| Breed | 100% MRIJ | Straw colour | Bruin |

The MRIJ bull Hein Vergeer (Goliath x Manuel 142 x Carbo 12) combines milk and good all-round conformation from his sire and very good protein percentage, udders and feet & legs from his dam line. Longevity is at both sides of a very good level.

Vergeer's sire is Goliath. Goliath had a high score for longevity. The conformation of Vergeer is of an all-round good level with very good development and type. Also was Goliath a bull with lot of milk.

The dam of Vergeer is well known of its very good protein percentage. So had dam and granddam an average protein percentage between the 3.60% and 3.85%. Both cows realized in combination with of lot milk an average lactation value of 120. This dam has also very good udders and feet & legs.
