Highway Tourist is a Tryst son, who originates from a beautiful genuine Ayrshire cow family. His dam Fairy 5 produced for 11 lactations and calved each year. At the same time she received EX 92 Total Score. Two half sisters of Fairy 5 scored respectively EX 90 and VG 89 Total Score.

Also the daughters of Fairy 5 show themselves very well and at this moment two of them are registered EX 90 and VG 87. In short, a cow family that showed quite a lot quality regarding the conformation of these cows.

The sire of Tourist, Tryst, is a bull who transmits good feet & legs and in the mean time delivered his first excellent daughter (EX 92). Tryst transmits milk with slightly negative contents and with a clearly positive conformation inheritance. This bull was especially adviced to us by the Ayrshire Association from the UK.
