Ilco is a big and long Marchigiana bull with very good muscularity. His sire Zirlo is registered with VG 88 points and has 4 approved half brothers. Also four sons of Zirlo are approved, one of them is Ilco. The dam of Ilco is registered with VG 85 points for conformation.

The calves of Ilco are easily born and grow very good.

Despite the relative unknown Marchigiana breed, Ilco enjoys a lot of attention because of his good calves.
