The well developed bull Mr. Fred (Scooby-Duu x Goldwyn x Rembrandt) has a pedigree with top conformation and an outcross bloodline via a mix of the best bulls worldwide. Mr. Fred is supported by successful cow families in both maternal as in the male line of his pedigree.

Mr. Fred's sire, Scooby-Duu (Allen x Formation x Juror), descends from the well known excellent Go-Farm Juror Painky family. Scooby-Duu is known as a "power"-bull, in other words a bull who adds up more strength and width in the cows. Besides this he also hugely improves udders and feet & legs resulting in a total conformation package of a very high level. In combination with this and his much needed aAa code (456), Scooby-Duu is a worldwide highly demanded bull.

Mr. Fred himself descends also from a well-thought off Triple-A mating. John de Vries, breeder of Mr. Fred, is a very satisfied user of the Triple A mating system for many years now. For mating Mr. Fred's dam, Goldwyn daughter Venetie 5 (VG 89), Scooby-Duu seemed to be the best combination according to the Triple A system. Venetie 5 originates out of one of the best breeding cow families of Western Europe, the Venetie/Ornelia family. Venetie 5 scored as heifer the maximum conformation score in the Netherlands, 89 points. She also won the...
