Joppe van ‘t Zandeind was sired by Jordy, who was also bred by van ‘t Zandeind. Joppe’s sire is a trusted name for beef on dairy, and known for calving ease and good growth. Both his paternal and maternal lines share the same descent: the well-known Clarisse cow family. K.I. Samen has achieved nothing but good results from this maternal line with the extra bonus of a short gestation time.

You can rely on Joppe van 't Zandeind to produce calves that grow better.

He scores 4.5 stars on a scale of 5 for calving ease and gestation length.
