colour	EZ
Breed	100 % AA
Date of birth	2012-08-17
Gest. length days	
Gestation length	
Calving ease	
Straw colour	Salmon

Lawsons INCREDIBLE H803 is a unique Australian bull, sired by a famous name in Australia: Ayrvale Bartel E7. Lawsons INCREDIBLE H803 scores exceptionally high for both maternal ease of calving and growth traits. INCREDIBLE succeeds in uniting this rarely seen combination. He is an impressive bull, who seems to be replicating the breeding pattern of his sire and may even score higher for certain traits.

His progeny show clearly higher than average growth, which is an area where he outcompetes his sire. He also scores higher than average for intramuscular fat and improves the milk production of his daughters.

Lawsons INCREDIBLE H803 is a bull with the potential to outshine his sire - even though this popular bull is seen as one of the greatest bulls used in Australia in recent years.
