Möhoeve Kojack (Talent x Rubens x Jubilant) is model bull, his exterior and pedigree are super. Kojack is a well developed bull with beautiful type and excellent feet & legs. In his pedigree we can find a lot of top exterior. Through his sire side stands the famous Stookey Elmpark Blackrose central and via the dam the famous Sonni family (proven bulls such as: Trademark and Expensive).

Kojack's father, Ladino Park Talent, is red factor Storm-son out a Leader-daughter of the famous legendary Blackrose (EX 96). Blackrose and her family were the past years successful on several international shows (by example Madison, U.S.) on the black and red Holstein population. Talent daughters have top exterior and excellent udders with the red factor in their pedigree.

The dam of Kojack we can subscribe the same as the sire. Also the Sonni family varied with the black and red Holstein. Thereby is just like the Blackrose family the exterior of a top level (VG 88 x EX 93 x EX 90 x EX 94 x EX 94). The Sonni family won several national and local championships on shows. Same happened to the mother of Kojack, Sonni 170 (super udder), she won the local show in Lochem, Nl. This excellent exterior you also find back on the male side. What to think of the proven bulls such as Trademark and...
