The MRIJ bull Patrick (Parole x Piet 225 x Gijs) is a well developed bull with beautiful type and good feet & legs. His pedigree can be considered as very firm with a good protein percentage.

Patrick's sire Parole is a strong "protein"-bull, which is no surprise with in his pedigree sire Louis. Also for production scores this German tested bull Parole excellent. Parole-daughters show all-round good udder and feet & legs with a good development.

The dam line of Patrick, the Dikkie-family, is well known for its protein percentage and good conformation. Dam Dikkie 56 realized an average protein percentage of more than 4% and granddam Dikkie 36 had an average protein percentage of 3.80%. Also two half sisters of Dikkie 56 realized an average protein percentage of 3.90% and are registered with VG 86 and VG 88 points.
