Pierre van Druivendaal is a bull with good development and plenty of depth. He has a very nice flank. He is one of the few sons of Tresor, who has the famous Caramba breed cow as a grandmother. This cow was, among other things, French National Champion in Paris in 1984.

The dam Hilda was ranked 90 for her general appearance. She was Junior Champion in Zwolle in 1992. She is also the mother of the bull Michel, who was Champion in Hoornaar. The bull Pierre has a very good character and the ideal Blonde golden colour.
