Herdbook number	NL 521428970	Gestation length	275
A.l.-code	36831	Kappa Casein	ONBEK
aAa code	231	Beta Casein	A2/A2
colour	ZB	Cow family	Suzan
Breed	100% HF	Straw colour	Transparant

A cow family that presented themselves the last years more and more is the Suzan family. Besides many good bull dams this family also brought several proven top bulls (e.g. like Shogun PS). Ponsstar Smart (Shogun PS x Lightning rf x Emerson) is again another new promising bull from this family.

Smart PS has a pedigree where the Suzan family is present in both maternal as well as paternal line. An extra is that Smart PS is the first Shogun PS son which will be tested by an AI organization!

Shogun PS is one of the big group O-Man sons who have gathered the proven bull status. Due to his good conformation figures (amongst others) Shogun PS has to offer various extras. That's why he has been used internationally as a sire of sires. Calving ease bull Shogun PS has good production traits and scores exceptional well for longevity, cell counts and fertility. His late maturing daughters have good feet & legs, very good udders and awesome frames.

As already described above: the foundation of Smart PS's maternal line is the same as his paternal line. The Suzan family has been split up in several branches through the years, even so for Smart PS. Smart PS's dam Samara (VG 86) is the 9th!! generation VG or EX cow in a row. The combination of Lightning rf x Samantha (EX) (granddam...
