361253 • Rintje
Roest DN x Albert • aAa: 435

Breeder: Herrn Otto Theissen, Hürtgenwald, Duitsland

- Well developed MRIJ bull with strength and capacity
- Sire Roest is a large, well developed bull with enormous capacity
- The cow family is known for its conformation, several generations VG/EX
- Also offers high lifetime production with good components, from grass-based rations
- A2A2 and a very welcome addition to the MRIJ breed

Dea (dam of Rintje)
