Sibert (Strateg x Solhill x Lica) is a red witrik (lineback) bull with a very good development and good feet & legs. In his pedigree we find strength and longevity.

Sibert's sire is Strateg, a son of all-round bull Stadel. Stadel has already several proven sons with good numbers. This Stadel-son also has very good conformation with good production.

The dam of Sibert exists out of no-nonsense cows, cows with a lot of strength. The Sneeuwitje-family has good productions (with high percentages). Other notifying traits of this family are the lateness of development, the super somatic cell score and the fertility.
