Tregibby Yegabomb is a Tequila son from one of the best show families from England. Tequila is known as the best bull for breeding top conformation and has plenty of daughters who score very well at shows worldwide.

Bluegrass Excitations Prissy Polly, dam of Yegabomb, has consistently achieved the maximum score for conformation in all age categories and in her 5th lactation is now EX96. She has won all the major shows in England and Scotland, as well as in her native Wales area. Because of all of her victories she has been nominated at least 4 times as All Britain Champion, and even Champion of the United Kingdom. The combination with Tequila might just add more still and finesse to this superb cow. Yegabomb already has the first calf on the ground in England and it looks very promising.
