Umpire is the son of Minos, who has done many years of breeding service for the Nouwens family. This bull was specially selected by our French partners due to the incredible muscling that he shows. Mr. Hondarague will primarily use this bull to breed beef calves, which will be sold in Italy.

The bull Umpire will definitely deliver heavier calves with very good muscling. Due to the extreme muscling of the bull we advise to use him for 'terminal' cross. Umpire will be a very economical bull for this and thereby be easy on the wallet of the farmer.
