BULL INFORMATION

Name	Van de Peelsehoeve Samoerai	Date of birth	2011-09-06
Herdbook number	NL 888659952	Gestation length	277
A.I.-code	36883	Kappa Casein	AA
aAa code	315	Beta Casein	A2/A2
colour	ZB	Cow family	Bea
Breed	100% HF	Straw colour	Rose

Van De Peelsehoeve Samoerai (Shogun PS x Future x Slogan) is a well developed, breed typical bull with a solid pedigree. Solid due to a reliable (and kept under Dutch circumstances) dam line and solid because of the conformation, high contents and good longevity of these cows in this line. Also solid because of the bulls in Samoerai's pedigree.

Three generations of reliable bulls tested in the Netherlands. They preserved very good throughout the years and one by one score very good for secondary traits like SCS, fertility and longevity.

Samoerai's sire, Shogun PS, is the youngest one in this line-up, but already has hundreds of producing daughters. This bull perfectly knows how to maintain his position. Just as you expect from an O-Man son Shogun PS scores very good for birth traits, SCS, fertility and longevity. Shogun PS also breeds high kgs of milk with slightly negative contents. His conformation traits are very good, especially for an O-Man son, with exceptional scores for frame and dairy strength.

The production profile of Shogun PS fits brilliant with the production capacities of the maternal line of Samoerai, the Bea's. The Bea's realize an above average production combined with sky-high contents. Samoerai's dam Bea 36 (VG 87) realizes production lists with...
