VDR Stravinsky is a beautifully balanced bull with excellent legs. The Etazon Hyde family, which also produced breeding bulls such as Slash, Jacuzzi and Reloader, remains highly popular in breeding today.

The well-known Malki daughter Sandra 2 (EX 92) developed into an impressive brood cow and recently calved again, producing Sandra 102! Sandra 2 has several outstanding daughters, of which Bandares daughter Sandra 5 (EX 90) perhaps resembles her dam the most. With lactation values above 140, she, like her mother, leaves a strong impression.

This Sandra family is known for exceptionally high lactation values, achieved by robust, trouble-free cows with great longevity. In Stravinsky, these qualities are combined with the high component transmission of Flagstone. Stravinsky has aAa 315.
