colour	EZ
Breed	100% WAG
Date of birth	2019-10-21
Gest. length days	
Gestation length	
Calving ease	
Straw colour	Wit

WDE Mr Nanashi is a German, Fullblood Wagyu bull sired by Sanjiro 3, a bull out of Nanashi. Nanashi is the most highly-admired Wagyu cow to be found outside Japan. She is celebrated worldwide for her exceptional meat qualities.

Sanjiro 3 also excels in ribeye and marbling (intramuscular fat). Thanks to Nanashi's growth the combination is an absolute winner. WDE Mr Nanashi's first scores have been released and he has performed exceedingly well for ribeye area and marbling.

Calves by WDE Mr Nanashi are light to very light weight at birth. This makes him suitable for use as a calving ease bull, not just with Wagyu, but also with other breeds.
